Ergonomic Handle & Cord Wrap

Ergonomic handle with slender design uniquely placed for easy push-and-position.

Universal Tablet Security Bracket

Secures your tablet or iPad with lockable bracket. Locking bracket comes with 2 user keys, with or without-case sliders and supports a weight of up to 3.5lbs.

Tablet Tilt

Bracket comes with tablet tilt of 60 degrees, horizontal pan of 180 degrees and rotation around the axis of 360 degrees. Position your tablet at various angles for ease of use.

Best-in-Class, Durable Materials

Anodized Aluminum, Powder-Coated Aluminum, Cycloy Plastic, fully wipeable and approved in Operating Rooms.

Customization

Customize your cart with Branding Options and 40+ Accessories.

Concealed Cable Management

Cable management channel allows for discreet and uninterrupted charging. Large utility box can house power cable receptacles or other power components.

Base & Casters

4-Wheel base balances the need for stability with a small footprint. Complete with premium, quiet, non-mark and locking casters, this cart is ready to roll or stay in a locked position as you need.

Quality & Services

5 Year Limited-Warranty, ISO 9001:2015 Certified, Tip Resistant as per IEC 60601, and Remote Expert Support.
